

Name: _____

Responsibilities & Evaluation

Partners: _____

Responsibilities: _____

Briefly describe how well you met your responsibilities in completing the project in terms of:

	Unacceptable	Acceptable	Exemplary
• Planning the project	_____	_____	_____
• Making a positive contribution to group work/discussion	_____	_____	_____
• Sharing the work load	_____	_____	_____
• Helping others understand	_____	_____	_____
• Holding others in the group to their responsibilities	_____	_____	_____
• Checking the quality of the final project	_____	_____	_____

Briefly describe two things you could have done to make your team work better:

Give a % score to each member of your group (including yourself) indicating how the final grade should be divided. Each person's share may vary from 15% below to 5% above an equal share.
